**Your admission letter for the degree program Transition Management mit dem Abschluss  
Master of Science in the 1. Subject semester for the winter term 2025**

Dear Shibil Muhammed,

We are pleased to inform you that you have been admitted to the study program mentioned below.

This notice is issued on the legal basis of the Hochschulzulassungsverordnung über die Vergabe von Studienplätzen in Studiengängen mit örtlichen Zulassungsbeschränkungen (HZVO) [Higher Education Admission Ordinance on the Allocation of Study Places in Degree Programs with Local Admission Restrictions] of September 02, 2019, issued by the Federal State of Hesse, in conjunction with the Statutes for the Higher Education Selection Procedure in Degree Programs with Admission Restrictions of November 20, 2019, issued by JLU Giessen, as amended.

Please be informed that your participation in the allocation process, including the waiting list procedure, is now considered complete. This status applies regardless of whether you decide to accept the offered study placement.

If you find yourself unable to accept the study placement due to current or impending service commitments in Germany, there is no need for immediate action on your part. Following the conclusion of your service in Germany, you are entitled to reapply and be reconsidered in the subsequent two allocation processes for this program.

**Deadline for acceptance of the study place and for enrollment: 15.09.2025**

Please note that the prerequisite for enrollment is, among other things, the timely submission of the relevant documents and that after the deadline the study place may be awarded to another applicant and enrollment is no longer possible.

**Enrollment**

Application Semester	winter term 2025
Degree Program	Transition Management mit dem Abschluss Master of Science
Semester	1

Below you will find instructions for further steps and enrollment. Please refer to these for the applicable regulations:

JLU Gießen  
Ludwigstraße 23  
35390 Gießen

### **Instructions for applicants with a German university entrance qualification:**

To enroll, please upload all necessary documents (see the correct checklist for your enrollment at <https://www.uni-giessen.de/studium/bewerbung/portal/formulare>) on time by 15.09.2025 after completing the online enrollment in the GUDE application portal (via "Submit documents for enrollment"). Sending documents by email is not permitted. If you have any questions, please contact [stud-sekretariat@admin.uni-giessen.de](mailto:stud-sekretariat@admin.uni-giessen.de)

### **Instructions for applicants with an international university entrance qualification (full-time German-language study program):**

Your admission is subject to the submission of proof of German language proficiency for enrollment. Information on participating in the DSH exam of the University of Giessen can be found at <http://www.uni-giessen.de/zulassung/dsh>. If you already have sufficient proof of German language proficiency for enrollment (see point 2 on the website: [www.uni-giessen.de/zulassung/dsh](http://www.uni-giessen.de/zulassung/dsh)), you do not need to register for the DSH exam. If you have already submitted your proof of German language proficiency, which qualifies you for enrollment, to uni-assist, you do not need to provide any further proof. If you have presented a German university degree for the desired program, you also do not need to provide any further proof of German language proficiency.

Please now apply for enrollment in the application portal (<https://gude.uni-giessen.de>), then upload the required documents for enrollment. For enrollment, we also need a digital M10 certificate from a German statutory health insurance company. Please contact a statutory health insurance company of your choice as soon as possible and request them to send such a certificate to JLU Giessen (Sender number of JLU H0001711). Further information on the health insurance certificate can be found here: <https://www.uni-giessen.de/de/internationales/studieren/jlu/einreisen/k>

For more information on starting your studies, please visit our website: <http://www.uni-giessen.de/stewint>

### **Further Information for All Applicants:**

Please note the start of the courses at <https://www.uni-giessen.de/en/study/termdates>. To help you start your studies smoothly, the Central Student Advisory Service (ZSB) offers orientation days for all master's degree programmes and orientation weeks for undergraduate (bachelor's and state examination) programmes shortly before classes commence. You can find information about this and about finding accommodation in Giessen here: <https://www.uni-giessen.de/en/study/start-1>. We strongly recommend that you participate in this programme.

Additionally, the International Office (AAA) offers an orientation week (OWIS) for all international students. The OWIS programme will be available here: <https://www.uni-giessen.de/owis>. Helpful information for the beginning of your studies (financing, visa, search for accommodation, formalities, etc.) can be found here: <https://www.uni-giessen.de/startofstudies>.

### **Important Notice for English-Language Degree Programs:**

Agrobioinformatics (Master of Science), Agrobiotechnology (Master of Science), Transition Management (Master of Science), Insect Biotechnology and Bioresources (Master of Science), Human Movement Analytics - Biomechanics, Motor Control and Learning (Master of Science), Mind, Brain, Behavior (Master of Science), Economics of Global Risk (Engl.) (Master of Science), Advanced Materials (Master of Science), Sustainable Chemistry (Master of Science), Interdisziplinäre Studien zum Östlichen Europa (Engl.) (Master of Arts) and Anglophone Studies (Master of Arts):  
Hereby we confirm that the applicant has demonstrated sufficient English language proficiency for enrollment in the chosen English-language degree program according to the applicable examination regulations. No proof of German language proficiency is required for these degree programs.

Admission is subject to the accuracy of the information provided in your application. Should it become apparent during enrollment that the admission is based on false or incomplete information or that there are grounds for refusal in accordance with Section 63 of the Hessian Higher Education Act, this letter of admission will become invalid and enrollment must be refused.

If there are **language requirements** for one or more subjects or an aptitude test is required, admission is subject on the condition that you provide proof of having fulfilled the relevant requirements for your degree programme in accordance with the relevant regulations of Justus Liebig University Giessen by the dates specified therein. If this

proof is not provided, this letter of admission will be revoked. Before you enroll, please find out whether and, if so, which regulations apply to your chosen subjects (please refer to the website of your chosen degree programme here: <https://www.uni-giessen.de/de/studium/studienangebot>).

If you are unable to submit or have not yet submitted your Bachelor's certificate at the time of enrollment, or if other proof required as per the subject-specific or formal requirements (e.g. grade limits, individual examination results, conditions) is still missing, enrollment in a **Master's degree programme** is subject to the submission of an officially certified copy of the certificate entitling you to study upon re-registration for the second semester and, if applicable, the submission of the missing proof of having fulfilled the subject-specific and formal requirements at the appropriate time. If you do not submit these documents within the specified period, your admission will be revoked and your enrollment withdrawn. The general regulations applicable at JLU as well as the respective special regulations for the individual Master's degree programmes can be found online at <http://www.uni-giessen.de/mug>.

Yours sincerely,

Your Registrar's Office at JLU Giessen
